

Wheel Wiper Assembly Installation Instructions

1. Raise the cover over the skimming wheel.
2. Hold the Wheel Wiper Assembly by the U-Shaped piece.
3. Place the groove beneath the raised arrow against the plastic trough divider.
4. Lower the Wheel Wiper Assembly into place around the skimming wheel.

Correctly installed Wheel Wiper Assembly shown to the left.

Note: The wiper blades should fit tightly around the skimming wheel. Over time, they may become worn and/or loose and may need to be replaced.
